Technical Skills and Education:

Proficient in all types of minicam, including scuba cam, I can also operate Digibeta ,HD and DV cameras. Additionally, I can load and operate a 16mm camera. I have achieved a Higher National Diploma in Digibeta Operation and lighting techniques. I also have a B Eng in Aeronautical Engineering from Imperial College London. Beyond camera operation, I am a stills photographer, working on both digital and 35mm. In 2005 and 2007 I shot and produced two exhibitions in London.
